-Sponsorships: Mandy Created template sponsorship request. Numinds and Dr. Sarah Wells are in-kind sponsors. Teresa says Numinds is being dropped this year because it was administratively challenging. Create a "partner" level sponsorship. Doing camp invention 2x per year rather than 1x. Camp Invention also doing an extended day this year. Maybe 2 different camps. Dates June 15-19. July 13-17 for 2nd one. Both at Cockrell. Send Numinds a sponsorship letter or move their sponsorship down a tier? A list for keeping up with who we asked. **Mandy and Amber and Ruby to start a spreadsheet.** Details, logo, names, contacts, when we asked, how much, who at GMP has the relationship. Ruby will start emailing and calling over December.

-Spring Symposium: Feb 20th, Speaker Dr. Sarah Wells. Get student lined up to film. Spoke on perfectionism last year. Are we doing a children's event? Joyful mess Alicia Trotter – former art teacher at Folsom)? Kids yoga? "Brain chase" – Lainie suggests this. Created by 2 homeschool teachers, basically summer camp in a box. What does she need in way of volunteers and supplies. High school/middle school volunteers could help for credit. NHS hours for these kids. Topics for spring symposium. Stress and the overachiever. Kid panel. 5 gifted HS kids invited to participate. Gifted students are worst learners because they stop taking academic risk. GPA game. How to motivate or get them to relax. Ask Dr. Wells if she would like panel or prefer to speak separately.

-Cherry Berry fundraising event: Tina says a Thursday night. Sell Spiritwear also. April 16th? Possibly 23rd?

-Budget- Mark - We have about \$11,000, but after the teacher grants we'll have about \$8,000. Mark sent IRS letter requesting June 30 as end of fiscal year. -Brochures – Tina wants to print brochures with all our info for multipurpose.

-Summer camp fair- meeting mandy, Tina, Amber on maybe January 7 at 5:30. Hours of camp 9-12.
