

GMP Meeting September 10, 2020, 8:30am

Attendees: Mark Heussner, Jeffrey Fuller, Bernadette Ortiz-Brewster, Tina Marr, Amber Correll, Mandy Horton, Chianna Rogers, Seth Rutledge

Seth: Need help this year with PCIS expo. Kind of a career day type event for Prosper's high school kids in PCIS class, in *early October*. Big needs are PCIS: If we know of people in industry interested in attending the event and finding ways to network, please share these contacts with Seth. 50-60 professionals needed. Seth will provide details and info shortly that we can share with other professionals.

Spiritwear – Chianna will work with Bernadette on Spiritwear. Bernadette will set a separate meeting.

Membership – Jeff will work with Tina and Bernadette. Membership drive at beginning of year. Dessert tray for winning school. Jeff to set separate meeting.

Teacher welcome notes and grants: Mandy and Mark working on this. Each of us is assigned a few schools to write encouragement notes. Also, we will mention teacher grants in the notes. School assignments are by color in spreadsheet. Just a message to GT teachers sending support for the coming year.

Teacher grants: We should include a message with our notes regarding the grants. When can/should we do that this year? Are needs different this year? Seth is going to check on this.

Fall Symposium: Amber and Tina. May need to do virtually. On-demand and virtual is good to have even if on site in-person event. Typically early November. Topics? Sponsorship from Joyful mess? They could do online thing for kids while we do the symposium/speaker? Lisa VanGimmer? She does gifted kids. Could maybe speak on anxiety with e-learning/pandemic.

Kroger- Where are GMP funds from Kroger going? Amber thinks we re-set account in August. She will try to find number to call.

Celebrate Calm: October 6. PISD is still going to have this event. Will be entirely virtual. Will be in Eagle Express this week.

Next Meeting October 8, 2020 at 8:30-9:30am. Zoom meeting.
