Established 2014!

COMING TO PROSPER!

Summer 2019

Camp Pursuit is a week-long, mixed-age academic summer camp based on the premise that students must pursue their passions until they become their talents! We embrace the freedom of choice, allowing campers in incoming 1st through 8th grade to choose 4 courses from a catalog of interdisciplinary, high-interest STEAM courses that most align with their passions and curiosities. To celebrate our 5th year of Camp Pursuit in North Texas, we are proud to partner with Prosper ISD to bring our unique camp experience to a brand new community of learners and families!

$25 off Camp Pursuit for GMP members!
